Come out with us!

Life's always better when you're outside. Outside of your routine, outside of the walls of your house, outside of your usual surroundings. Bajes Beach Club brings the Middle Eastern way of being outside to Amsterdam. Come celebrate life with us, eat with your hands and toast with friends and strangers. Step outside and taste the outside world in the former Bijlmerbajes.

Bajes Beach Club is powered by A Beautiful Mess and part of Refugee Company. Refugee Company offers people with a refugee background a safe place towards economic and social independence through apprenticeship programs. Participants in these programs are the driving force behind the Bajes Beach Club, A Beautiful Mess restaurants, Makerspace and the Mondmaskerfabriek.
